

Relax,
We don't use AXE.

We put nature into ceramic tiles,
Without harming a single tree.

A black and white photograph of a pile of grey ash on a light-colored surface. A dark wooden plank leans against the pile, partially obscuring the text. The text 'STRAIGHT OUTTA ASHES' is overlaid in a large, outlined, sans-serif font. The word 'STRAIGHT' is on the top line, 'OUTTA' is on the second line, and 'ASHES' is on the third line. The plank is positioned between the 'A' and 'G' of 'STRAIGHT' and the 'T' and 'A' of 'OUTTA'.

A person is shown from the waist down, sitting in a meditative pose on a light-colored wooden floor. They are wearing dark grey leggings. Their right hand is resting on their right knee with the thumb and index finger touching, while the other three fingers are extended. Their left hand is resting on their left knee. The background is a bright, out-of-focus light source, creating a bokeh effect with large, soft, circular light spots. The overall mood is peaceful and serene.
